DAYTONA BEACH HARLEY OWNERS GROUP CHAPTER #0652

DIRECTOR **RICHARD 'Stretch' SAWICKI**

**"RIDE SAFE, RIDE OFTEN, BUT... GET OUT THERE AND RIDE"**

### **Notes from the Director's Chair**

Well we started the month of October in a great way, expecting cooler weather for riding and having fun . . . BUT we all know how that turned

out to be....

Hurricane '**Matthew**' made it's presence known and traveled up the east coast of Florida with a vengeance. Had you been one of the first people to venture out-and-about to visualize the destruction and damage caused by this weather condition, you would realize that, as the news reported, we and the area did "dodge-the-bullet" on this hurricane, noting it could have been a lot worse than what we encountered.

All-in-all, the event planned for October, BIKTOBERFEST, even though somewhat subdued, was still the fall event we wanted to see materialize and held no matter what the outcome of that passing weather dealt us.

A big 'Thank You' goes out to those volunteers for assisting with the HOG® table in front of the Rossmeyer Dealership. It was good to meet and greet a lot of other HOG® Chapter members who did travel down to the Daytona Beach area for BIKETOBERFEST, and enjoy the sights, sounds and good weather that a biker event should have.

Also to note, the Daytona Beach LOH® held their Annual 'Witches Night' and made their rounds to some of the local establishments casting some spells, warding-off those spooks and goblins, and partaking of merriment with the local crowd of commoners out that same night. It was good to hear all those 'witches' made it back safely to their lair, to continue their party well into the wee hours.

Another part of the October calendar was the HOG® monthly meeting where we did have the first meeting based on the new starting time of 9:45 a.m. It was great to see so many members arrive on-time to get their Chapter business completed, quartermaster supplies, meet and converse with many other member of 'their' Chapter, enjoy the refreshments provided and be ready for that new start time, Thank you all.

Also at this meeting, we recognized the return of the annual Nomination Committee and their part in bringing forth the names of members who they feel would keep this HOG® Chapter moving forward into 2017. They also entertained self-nominations from the membership who also would like to be considered for the four (4) primary positions (Director, Assistant Director, Treasurer and Secretary) of this great Daytona Beach HOG® Chapter. Yes, there will be a run-off for some positions and the others are positions that are non-contested. Good luck to all . . . . .

The month of October has also brought us to nearing the end of the 'HOG® Chapter Riding Season', whereas the Head Road Captain (Jerry Gomes) had informed me we are now in excess of 190 Chapter sponsored 'Rides' for the 2016 season, exceeding last year's tally by over 25 Rides.

# [ DAYTONA HOGCALL ]

This is a very impressive number to hear, and you all must be congratulated in this accomplishment. With the amount of 'Rides' that have been held, the number of HOG® Chapter members who participated and the variety of locations for these rides lead by your own Daytona Beach HOG® Road Captains. These Rides did take us to known, and some new locations. It's no wonder, we (Daytona Beach HOG® Chapter) are well know as a 'Riding Chapter'.

AND . . . right around the corner is the Fall HOG® Chapter Picnic, thanks to Herb Ahlers and Lisa Hopkins. This event is still on-schedule for **November 5<sup>th</sup> at the 'Lost Lagoon'**, in New Smyrna Beach, on Route 1 in front of the N.S.B. Airport. Follow the [Website] Events Calendar to see what time the 'Ride' will leave Destination Daytona for this event. The Ladies-Of-Harley (LOH®) will also be running some entertainment games at the picnic raising funds for the Chapter, and you could win some good prizes too.

Last . . . but not least, I will not be seeking, again, the nomination as the Daytona Beach HOG® Chapter Director. This is a much time-consuming, thought provoking, demanding, tested, and taxing position, and with my own plans for 2017, I feel I cannot dedicate that kind of time needed to perform the same as in the past. I will seek only to be your Chapter Secretary for 2017, helping with a smooth transition for the new, incoming Chapter Director, whomever you all choose. It has been a pleasure, challenge, and humbling experience in serving you, the membership of Daytona Beach HOG® Chapter for the past two years as the Director. It has not been a smooth path I was on, but the challenges have given me insight to the overall diversity and direction this HOG® Chapter must be on to grow, survive and move-on into the future.

In closing, this has been one good year for the Daytona Beach HOG® Chapter . . .

There was the continued Fund Raiser for [the kids of] Camp Boggy Creek, with this year's total reaching \$10,000.00 as the overall donation by all of this year's members and the funds raised thru the . . . . .

*Daytona Beach HOG® Dog Stand . . . with all of your support and volunteerism, this part of the HOG® Chapter's effort continues to bring in the major part of our Chapter's 'Camp Boggy Creek' annual donation ... Kudo's to you all !!*

***Volunteers . . . .** It is people like you that make this HOG® Chapter what it is, a great bunch of people doing good deeds for those in need . . . as well as 'Riding'. So, please, consider this request and [volunteer] help your fellow rider & member in continuing to make this the "Greatest HOG® Chapter in the World".*

**ROAD CAPTAINS . . .** Again, the total amount of 'RIDES' planned for, and held by the Chapter Road Captains, who volunteer their time and effort for the Chapter members well exceeded expectations. Be sure to let any and all of those Road Captains know how much you appreciate this type effort.

**MEMBERSHIP . . .** YES, it does have it's rewards, and we as the members of this HOG® Chapter know that it will not OR cannot exist without the support of all of the membership. I ask that we all support and assist in 'your' Hog Chapter operations, in anyway possible . . . . .

Like that 'ol cliché "TRY IT, YOU'LL LIKE IT"

### Parking Lot Practice

As you know we had to cancel PLP due to Biketoberfest. We plan to be up and running for November and December. I may have to miss one (again) as Diane wants to run up to Georgia and see 2 of our grandchildren.

We took off to Sturgis in the Jeep, correct we didn't have our bikes with us. Much like Biketoberfest, Sturgis was not well attended, we had no problem parking any place. Other than attendance they both had one more thing in common. Rider that could use PLP or some type of experienced riders course. I observed more foot draggers, wide turns and yes people running of the road. I hope you make PLP.

Recently I was asked who can attend Daytona HOG's PLP. Well any member, any guest that a member will take responsibility for and sign a waiver. We do require helmets.

PLP is not a beginner's class, BRC, you are expected to ride your motorcycle to Destination. Yes, we do exercises from the BRC and from several advanced classes. If you need basic instruction or help with a new bike please call Roger, Dan or I and we will attempt to work one on one with you. Another option would be to retake the BRC. If you need to ride a smaller bike try the Basic Bike Bonding Course, BBBC. This is a one day class done on range bikes provided by the school giving the class.

By the time you read this article the elections will be over. I'm not talking about the presidential election, although they will also be over. I'm talking about our chapter elections. I would like to thank the outgoing board for all their hard work, a great big thanks. If you don't think its work or time consuming just hold an office. For the newly elected executive board and appointed positions you have big shoes to fill and I'm sure you will continue to do good things for Daytona HOG. Have fun, do good and good luck.

Are you riding as good as you want or as good as you can? *We can all be better, safer riders.*

## LEAVING THE GROUP by Mitch Powell     Safety Officer

Occasionally on a club ride, a member of the group will pull out of formation.

This can be a distraction leading to confusion and sudden braking and could compromise the safety of the group.

If you must pull out of line unexpectedly and if there is time, try to signal to those around you that first you are slowing down and second that you are about to make a maneuver away from the group.

**If you are just leaving with no problems and don't give a big thumbs up signal, the rear captain will still stop to render assistance.** This leaves the group moving ahead unnecessarily without a sweep, a less safe situation.

A much safer scenario would be to inform the lead road captain in advance of the ride briefing that you intend to leave the ride at a specified point.

You can be positioned at the end of the group before the rear captain.

**This is a much safer position for a scheduled exit maneuver and doesn't affect the positions of the staggered group.** When a mid-positioned rider leaves a staggered formation, it results in an open position.

According to the Motorcycle Safety Foundation, it is recommended that each member should move diagonally across the lane to make up the stagger. This recommendation takes into consideration that in many states, lane sharing (riding side by side) is legal, but overtaking and passing a vehicle in the same lane is not legal. This is the case in Florida.

Remember **riding side by side leaves** you a smaller space cushion in which to maneuver if you need to swerve to avoid a hazard and risks handlebar entanglement. **Thus, it is not considered the safest practice.** Our Daytona HOG Chapter recommends filling the open position when the group comes to a stop, where we can tighten up the formation, filling the void safely before pulling away.

LIVE THE DREAM, RIDE SAFELY AND HAVE FUN!
