The official NEWSLETTER of the Daytona Beach HOG Chapter

Volume 3

Edition 2

February 2020

## *A note from the Editor:*

With The start of obtaining information for this month's Newsletter I reflect on my own experiences (today) now, just over 50 years ago as I, and many other great, good soldiers still went about their duties in and around the jungles of South Vietnam. I was honored in the past week to take part in a program, thru the Washington D.C. Library of Congress, History & Legacy Branch, documenting my life experiences before, during and after my military duty. History about family, schools, when I was drafted into the Army, and life in the Army, U.S. Army Reserves and then the N.J. National Guard, and well afterwards. This is an ongoing program documenting the 50<sup>th</sup> year Commemoration of the Vietnam War into an oral history interview. Digging deep, I was allowed to submit copies of documents, many photographs, letters, memorabilia and other items, and sat for a filmed interview. The interviewer, Mark Franklin and Historian Marc Henderson worked with filmmaker Ken Burns in the Documentary 'VIETNAM WAR' [shown on PBS] and was very thorough in placing a person at ease in this process. There was questioning, digging into our deepest thoughts and opinions about that time, discussions related to my attitude, ideas, and perceptions about the Vietnam War, dates to remember, explanation of submitted photographs, documents and other facts brought to mind about that time and experience. Again, I was honored and glad to tell them **'My Story'**, to be kept on file for the future generations to come. GO Army!!!!

## *Message from the Chapter Director*

Greetings fellow HOGS,

Another month has flown by and here we are only a few weeks from Bike Week March 6-15, 2020.

I recently spoke to two different lifetime Harley Riders and Hog Chapters became the topic so I inquired why they have not joined a local HOG Chapter. Their separate answers were both the same, fear of the small clicks that form, not being accepted and negativity. Their comments made me think about their perception of HOG and its members. It is very important that we as members need to build our chapters and display a positive image on anyone in the riding community. It is quite simple; if we are not happy then we need to take the steps to bring positive change. I mean HOG is about riding and having fun and providing opportunities for discovering new places and meeting new friends.

Sign up for the March picnic will be occurring at our February meeting.

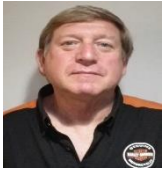

Finally, we as a board are here to serve you, as a Chapter member, because without your support we would all fail.

Enjoy the journey and ride safe.

## *Message from the Assistant Director*

Hi All,

We as a club are off to a great start for 2020 from what I have observed. The calendar rides have all been well attended. I personally was on Scott Derosé's qualification ride to Gators, and I must have had 25 people that showed up! My rides to Lost Lagoon had 23 people show up and the Habitat Build in DeBary had 12 fellow HOG members despite the fact that it rained and we all (except one) rode in cars!

It was a very successful outing and thanks to all who went and contributed. They are starting a new house in Daytona Beach soon and have asked us if we would like to set another date with them.

For the future, Jerry Gomes and I are working on doing visits to some local Veteran Nursing homes and coordinating with local VET organizations as well for joint visits.

I have agreed to work for Bike Week at the Dealership with Howard in bike delivery, so be sure to stop and say hello. Thank you again for all who participate in these efforts.

## Message from the Activities Director

### Activities Committee Members for 2020

So far, we have three (3) HOG events to plan for you this year, so feel free to share your ideas with any of us, or contact us at [activities@daytonahog.com](mailto:activities@daytonahog.com)

**Spring Picnic (Mar 28)** Sign-up for the Spring Picnic is underway. Come by the Activities table at Chapter Meetings and bring your \$5 to sign up (\$10 for guests); members get their \$5 back at the picnic. Yes, this picnic is free for DB - HOG members!! **Colt's Pig Stand is catering:** Phone US 229 7319 : Pulled Pork, BBQ Chicken, Cole Slaw, and Mac & Cheese, so bring your appetite. Sodas, Tea, and Water will be provided; if you prefer a different beverage, feel free to bring your own. There will be a dessert contest, so be sure to sign up at the Activities table if you want to enter. Ed Wolford will once again perform for this event and of course, LOH Games and Motorcycle Games will be part of the entertainment.

**DESSERT CONTEST: At the picnic! YOU MUST SIGN-UP to enter. PLEASE register at the Activities Table at the HOG Monthly Meeting.**

**Fall Picnic (Sep 26)** Save the date! Same location, Destination Daytona Pavilion. **Details to follow.**

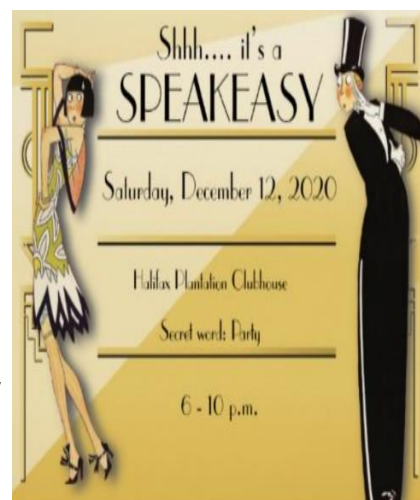

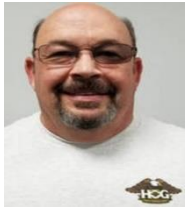

### Christmas Party (Dec 12)

Join us for a Roaring 20's themed grand time! Location will be the Halifax Plantation Clubhouse with great food and fun entertainment.

We conducted a survey of those who attended the 2019 party and here is what we found out!

- Everyone there liked the location and the food was very good, some saying the best they have had at an event like ours.
- Nearly 80% enjoyed having a live band while the others stated they would be just as happy with a DJ; several commented a greater variety of music was desired.
- Regarding the timeframe of the party, 76% of you liked the 6-10 p.m. timeframe, while 13% would like to start a bit earlier and 11% were indifferent.

## *Message from the Head Road Captain*

**2019 was a great riding year** and here are the numbers: We organized 258 Chapter rides and an untold number of impromptu rides. 15 Members completed at least 50 rides and another 24 completed at least 20 rides. We also had a couple of challenge rides last year, Lets go Park-N and the Firehouse Tour that were well received by those that participated in those events.

---

Planning for the **6<sup>th</sup> Annual HOG International Ride** is well under way; the ride will take place Friday March 13<sup>th</sup>. This year we will have a RSVP process and the link will be finalized shortly. The link will be placed on the Hog calendar event and may also be advertised by Mother Hog and the Dealership. We will limit RSVP to the 1<sup>st</sup> 125 worldwide members. Both Riders and Passengers must be name in the RSVP to ensure we have a good head count for the restaurant. We will be going to Eaton's Beach Sandbar and Grill on Lake Weir. This year you will be able to select from the full menu and they have a goal to have all meals on the table within ½ hour of us reaching the restaurant. We will return to the Demo Rides at the Speedway on ISB. I will be looking for Road Captains to help lead the groups.

---

**The Spring Picnic** – We are planning to have bike games again. We heard your feedback – we'll have less of a skills challenge and more of a game atmosphere. Yes, we'll still have the slow race (I need to redeem myself for the loss to Rory) but we will have 2 up games for both Bikes and Trikes.

---

**For 2020** we have created a 5-year program called **The Daytona HOG Annual Museum Tour Challenge**. In which we will visit Museums. If you complete 10 of the museums, you will receive the "Daytona HOG Annual Museum Tour Challenge" Patch and the Annual Tour Rocker.

**How do you get the patch, rocker and other rewards?** Take a picture with you & your bike in front of the Museum or it's Sign, Email the Picture with your name and the Museum name to: [Activities@daytonahog.com](mailto:Activities@daytonahog.com). When you send in the 10<sup>th</sup> picture you'll get the patch and rocker, 20<sup>th</sup> picture and you will earn \_\_\_\_\_, so send in pictures for all the Museums that are listed in the current 2020 year's Tour Challenge program and you'll earn \_\_\_\_\_.

---

**We are in the process of finalizing the 2020 Rewards that will be given for completing 20 Museum Rides and the entire list of Museums in the state of Florida for the 2020 year. PLEASE . . . Stay Tuned . . .**

### **PLEASE . . . . REMEMBER**

*This is YOUR HOG Newsletter – you can submit your vacation pictures, favorite RIDE, or a Ride Destination location for good food and fun with fellow Hogs . . . Whatever ! ! !*

## Daytona Beach HOG Annual Museum Tour Challenge

To get the patch and rocker, complete 10 of the tours for each year.

**2020 – Transportation Museums**

**2021 – Art Museums**

**2022 – Military and Maritime Museums**

**2023 – Historic Homes**

**2024 – Florida History Museums**

This will end the challenge. Here's a cool element of this challenge. If you only get 9 of the Transportation Museums in 2020; but in 2024 you just happen to be riding by the 10<sup>th</sup> museum, stop take a picture and as long as we still have patches and rockers you will get yours.

## *Message from the Safety Officer*

### **Safety Officer Report**

During a recent large Chapter Ride, I found myself wondering (after I had left with the 1<sup>st</sup> group) if each group was of a manageable size and if not; what could be done to ensure all the groups were of a safe size. Well I have come to a couple of conclusions:

**1<sup>st</sup>** we need to talk about the lessons learned from the recent event. Starting with the Lead Road Captain (ME). The lead RC needs to do a better job assigning the tasks of staging the bikes, signing in riders and begin the briefing a lot earlier so everyone has time to get to their bikes, get dressed and get ready to ride. As an attendee of the larger events, the Lead Road Captain may needs your help as riders.

**2<sup>nd</sup>** There will normally be a few Road Captains, each leading a group to the destination and their bike will be identifiable by the riding vest draped over their windshield. Please park your bikes in the staggered pattern behind each of the RC bikes. Pull up tight so we can easily count the bikes and always stage trikes to the right side of the staggered pattern.

**3<sup>rd</sup>** If you see someone that may be new to the group, please take a couple of second to help them stage correctly. That way when we are finally ready to roll; we won't have one group of 5 bikes and another group with 15 bikes. A group of 10 bikes is much easier to see and lead than a group of 15 or 20 bikes. If you have any safety concerns, please don't hesitate to talk to me. My goal as both the Head Road Captain and Interim Safety Office is for this year to be as safest riding season the Chapter has ever had.

Thanks for your support

## Message from L.O.H. Director

Hi Everyone,

What a great first meeting we had. We had an LOH Ride to Gators Riverside Bar & Grill. We had about 29 HOG members join our ride. It was a nice day to start but some of us got a little rained on. Today, Feb 9<sup>th</sup> the Ladies of Harley got together for lunch at DB Pickles and then we went to Marianne's house to make Valentine Wreaths. It was a relaxing fun day with good friends.

It's great when we all get together either during the week or weekend with our fellow HOG family and do exciting things. Scott and I did a pre-ride to Swamp House in Debary for Our LOH ride on Leap Year Day, Feb. 29<sup>th</sup>. It already posted on our calendar.

For March, LOH will doing a ride **after our March meeting** to Goblin Market in Mt. Dora. Goblin Market is just like Cracker Barrel atmosphere. I personally have not been to Mt. Dora, but I heard it's a beautiful place, after lunch we can walk through town, if you choose too.

Ladies if you would like to be part of an awesome LOH come join us. We meet every 2<sup>nd</sup> Thursday at Houligans. **The Ladies meet at 6-7 for dinner and social hour and our meeting starts at 7 in our meeting room.** The Hubbies also join us, but they gather at the table near the bar area.

Here at LOH it doesn't matter whether you ride 2, 3 or 4 we all ride together.

*Luv Ya "STAY AMAZING"*

*Marjie*

## *Message from the Membership Chairman*

Membership renewal are going well thanks to the Ladies of Harley and their assistance with signup at the January meeting (Gloria, Mary, Blanche). Thank you, ladies. A special thanks to Diane who had everything setup up for the January meeting, assisted, and had everything ready for seamless turnover. We can't thank the DeVito's enough for their help.

Some statistics for your reading pleasure. Currently, we have 225 members (02/10/20). Of that, 114 have renewed plus 14 new members for a total of 128 for 2020. After the February meeting, those that haven't renewed will be purged from the active rolls. We always will welcome you back.

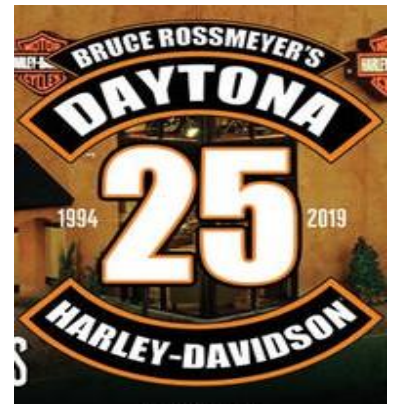

I have some ideas going forward to modernize, automate, and streamline the membership process. Still requires the Boards blessing. Stay tuned for further developments.

Remember, your membership with the Daytona HOG chapter requires you to have an active membership with Harley-Davidson National HOG. Please make sure you renew your expiring membership if applicable.

If you bring in your form or mail it, **please DO NOT staple your check or cash to the application.**

# The 'RIDE 365' Program

## RIDE 365

New in 2020, qualifying H.O.G. members now earn one point on their Harley-Davidson VISA card for every mile you ride on your H-D Motorcycle, up to 50,000 miles in a calendar year. That is up to \$500 in H-D Gift Cards from the Motor Company!

## HARLEY-OWNERS GROUP *RIDE 365*

### How will my mileage be tracked?

*You must have your odometer mileage validated at your H-D Dealership at the beginning of the calendar year. After that, you can return to the dealership throughout the year to add to your total annual mileage.*

### **Can I enter mileage myself?**

*To maintain the integrity of the program, mileage must be read and entered at an authorized Harley-Davidson Dealership.*

### **Can H.O.G.® members start the program at any time during the year?**

*Yes. You may check-in your mileage at any time during the year. The annual program recognizes miles ridden from January 1 through December 31, so it's smart to check-in mileage at the beginning of the year.*

### **How many times each year do H.O.G.® members have to check-in their mileage?**

***You need only to have your odometer checked in two times each year at the dealership – the first time to validate miles on or after January 1, and the second time is for a final annual total on or before December 31.***

*However, you'll want to check in with your dealership frequently to enter your updated miles so you can earn digital badges and add to your annual and chapter totals throughout the year. Adding your mileage will instantly update the [H-D.com/hog](http://H-D.com/hog) website and your chapter totals.*

### **What are the individual levels, rewards and recognition offered in the Ride 365 Annual Recognition program?**

- 1,000 miles: Digital badge
- 2,500 miles: Digital badge
- 5,000 miles: Digital certificate & digital badge
- 7,500 miles: Digital certificate & digital badge
- 10,000 miles: Digital badge, certificate & patch
